Residents of this County have the right to live in a community free of unusually loud, excessive or continuous noises. 4. The making of excessive or unusually loud sounds and noises constitutes a nuisance which threatens the peace and dignity of the residents, including those engaged in worship services.
5. The necessity and the public interest for the provisions and prohibitions hereinafter contained and enacted is declared as a matter of legislative determination and public policy and it is further declared that the provisions and prohibitions hereinafter contained and enacted are in pursuance of and for

Applications for permits shall be addressed to the Sheriff of Caldwell County upon forms supplied for the purpose by the County. In deciding whether such permit shall be granted or denied, the Caldwell County Sheriff shall consider the following factors.
